CURRICULUM VITAE

Joseph Nuzzarello, MD, MBA
610 E. Roosevelt Road, Suite 203
Wheaton, IL 60187
(630) 653-5550
psaok@msn.com

EDUCATION

Aug 1972 – June 1976	Fenwick High School, Oak Park, IL
Aug 1976 – June 1980	Loyola University of Chicago, Chicago, IL B.S. Psychology
Aug 1980 – June 1981	Loyola University of Chicago, Chicago, IL Masters Program, Psychology
Aug 1981 – June 1985	Chicago Medical School, North Chicago, IL Medical Doctor
Aug 2009 – April 2012	Benedictine University, Lisle IL: MBA with Concentration in Health Care Administration

POST-DOCTORAL TRAINING

July 1985 – June 1987	Resident, Department of Surgery, Loyola University Medical Center, Maywood, IL
July 1987 – June 1991	Resident, Department of Urology, Loyola University Medical Center
July 1990 – June 1991	American Cancer Society, Clinical Oncology Fellowship

EMPLOYMENT

1991 – present	UroPartners LLC DBA Urology Associates of DuPage, S.C.

CERTIFICATION

Diplomat, American Board of Urology, February 28, 1993
Recertification, American Board of Urology, 2003, 2013
Fellow, American College of Surgeons

LICENSE

Illinois Professional License #036-074164, issued July 1, 1986

PROFESSIONAL SOCIETIES

Fellow, American College of Surgeons
American Urological Association
American College of Physician Executives Masters Candidate Member
Member Sigma Beta Delta International Honor Society

ABSTRACTS AND PRESENTATIONS

1. Pindock, M.T., Dunn, R.B., Nuzzarello, J., and Glavianno, V.V.: Cardiovascular Response of the Dog to Acute Smoke Toxicity. Presented at Medical Perspective on Passive Smoking. International Symposium, Vienna, April 19, 1984.
2. Walloch, J., Doria, M., Castelli, M., Nuzzarello, J., Reyes, C., and Flanigan, R.C.: Comparison of Fine Needle Aspiration Biopsy to True-Cut Needle Biopsy of the Prostate: Study of 156 Consecutive Cases. Acta Cytological 32(5):748(abstract) 1988.
3. Walloch, J., Doria, M., Castelli, M., Nuzzarello, J., Reyes, C., and Flanigan, R.C.: Comparison of Fine Needle Aspiration Biopsy to True-Cut Needle Biopsy of the Prostate: Study of 156 Consecutive Cases. Presented at the American Society of Cytology, 38th Annual Scientific Meeting, Kansas City, Missouri, November 1-6, 1988.
4. Nuzzarello, J., Rubenstein, M.A., and Norris, D.M.: Extracorporeal Shock Wave Lithotripsy and the Ureteral Stone Brush: Initial Results. Presented at the 5th Symposium on Shock Wave
5. Lithotripsy, Methodist Hospital of Indiana, Inc., Indianapolis, IN, March 10-12, 1989; presented at the North Central Section of the American Urological Association, Inc., Sixty-third Annual Meeting, September 20-23, 1989.
6. Nuzzarello, J., Hatch, D.A., Reckard, C.R., and Flanigan, R.C.: Urologic Malignancies in Renal Transplant Recipients. Presented at the North Central Section of the American Urological Association Inc., Sixty-fourth Annual Meeting, October 21-27, 1990.
7. Flanigan, R.C., Goggin, C., Nuzzarello, J., and Waters, W.B.: Digital Rectal Exam and PSA in the Initial Evaluation of Patients with Prostatic Complaints. Presented at the North Central Section of the American Urological Association, Inc., Sixty-fourth Annual Meeting Oct. 21-27, 1990.
8. Albala, D., Nuzzarello, J. et al: Transurethral Microwave Thermotherapy using the TherMatrx TMX-2000: Durability Exhibited in a Randomized, Blinded Study Comparing TUMT with a Sham Procedure in Patients with Benign Prostatic Hyperplasia. Presented at the South Central Section of the American Urological Association, Inc., 80th Annual Meeting, September 8-12, 2001.

ABSTRACTS/PRESENTATIONS cont.

9. Nuzzarello, J.: Current Concepts of Minimally Invasive Therapy for Benign Prostatic Hyperplasia: TherMatrx Microwave Thermotherapy. Presented at the North Central Section of the American Urological Association, Inc., 75th Annual Meeting, September 18-21, 2002.
10. Nuzzarello, J.: Periurethral Microwave Thermotherapy. Presented at 76th Annual Meeting North Central Section. American Urologic Association. Chicago, Sept. 19, 2003.
11. Nuzzarello, J.: Minimally Invasive Therapies for Benign Prostatic Hyperplasia. Presented at the American Medical Systems Global Sales Meeting, Vancouver, Jan. 10, 2007.
12. Nuzzarello, J.: Green Light Laser Ablation/HPS for Benign Prostatic Hyperplasia. Presented at the American Medical Systems Global Conference, Miami, Jan. 8, 2008.

PATENTS

United States Patent 6,786,542. Issued Sept. 7, 2004: Articulating Adjustable Resistance Suspension Seat.

AWARDS

2000-2010	Castle Connolly Top Doctors Chicago Metro Area
1999-present	Chicago Consumers Checkbook Chicago Area Top Doctors
2012	Sigma Beta Delta International Honor Society in Business, Management and Administration
